The furniture.

The apartments.

The property has a total of 149 fully furnished student apartments and various apartment types: With an average of 28 m², there is a suitable offer for every student. On the opposite side of the street is the tenant-exclusive, locked parking lot with 50 above-ground parking spaces. A parking space can be rented with pleasure.

The community areas.

To get to know each other, relax and communicate: Uni Apart Lounge with bar, large fitness room, 3 seminar rooms each equipped with a large work table and sufficient chairs laundry, drying and ironing rooms as well as large lobby and a 2500 m² garden.

The house.

A well thought-out energy-saving concept applies to the entire student apartment building, down to the smallest details such as energy-saving light bulbs. The use of climate-neutral gas and electricity is a matter of course. The central technical property management coordinates residents' requests and takes care of repair and maintenance tasks on site. Janitors as well as all cleaning staff and administrative employees are employed directly by Uni Apart. So you don't have to rely on outside companies for these things - a real quality feature.
