Real credits. The furniture.

The apartments.

The property has a total of 149 fully furnished student apartments and various apartment types: With an average of 28 m², there is a suitable offer for every student. On the opposite side of the street is the tenant-exclusive, locked parking lot with 50 above-ground parking spaces. A parking space can be rented with pleasure.

The community areas.

To get to know each other, relax and communicate: Uni Apart Lounge with bar, large fitness room, 3 seminar rooms each equipped with a large work table and sufficient chairs laundry, drying and ironing rooms as well as large lobby and a 2500 m² garden.

The house.

A well thought-out energy-saving concept applies to the entire student apartment building, down to the smallest details such as energy-saving light bulbs. The use of climate-neutral gas and electricity is a matter of course. The central technical property management coordinates residents' requests and takes care of repair and maintenance tasks on site. Janitors as well as all cleaning staff and administrative employees are employed directly by Uni Apart. So you don't have to rely on outside companies for these things - a real quality feature.

The campus. The location Ingolstadt.

The strategic profitable Location for economic promotes the rise of the walled settlement at the DONau from the 8th century on. During the 15th century Ingolstadt is the capital of the dukedom Bavaria-Ingolstadt. As fortress town and university city Ingolstadt takes a leading role in the Bavarian history. 1472 the first Bavarian University was founded. The „Hohe Schule“ is besides Vienna and Prague one of the leading universities in the German speaking area. Over 328 years Ingolstadt is the intellectual and cultural heart of Bavaria.

Today the Technische Hochschule Ingolstadt and the Wirtschaftswissenschaftliche Fakultät of the Catholic University Eichstätt-Ingolstadt (WFI) are part of the famous addresses in the higher education landscape. This status will be strengthened in future.

The "Faculty of Economic Sciences" (WFI) of the Catholic University of Eichstätt-Ingolstadt, which is well manageable with over 1,000 students and 20 chairs, has rightly achieved top rankings in nationwide university comparisons for years. It offers its students the opportunity to study abroad at over 40 partner universities. In addition, a joint degree program with China's Tongji University in Shanghai has been in place since 2008.

At Ingolstadt University of Applied Sciences, the signs have been pointing to growth since its founding in 1994. Today, people study there in the fields of business and technology in nine bachelor's degree programs, five master's degree programs and four continuing education programs leading to a master's degree.
